

PREPARING FOR THE OPENING DOOR!

Second Quarter 2020

Our plans would have had us just re-tuning from a Medical Evangelistic Mission Trip to Honduras, but of course the door closed for an April trip. During

For a great door and effectual is opened unto me...
I Cor. 16:9

this time that Mercy's Vessel has been sidelined, we have been preparing for an even greater door to be opened to us this fall. Even now our crew is on board the ship, checking out all the systems, filling the fuel tank, cleaning each area of the ship and sharpening their skills as crew members to make a voyage in November. I'm earnestly asking you to consider helping us by giving to our **SHARE-A-THON 2020. On June 18th from 4:00pm to 8:30pm, we will be sharing our vision, plans and heart's desire to make a difference for Christ this year.** You can **call in during the evening at 610-932-5171 or 610-806-6555** and make a donation or a pledge, or you can clip the back of this letter and send in your gift. We are excited and anxious to extend our outreach for Jesus in this and coming years, would you join us as we bring the gospel to the lost and hurting of this world.

Preparing for November Medical Mission Trip

Puerto Cortes, Honduras is home to the National Navy of Honduras and they have extended to us an invitation to bring Mercy's Vessel for a Medical and Evangelistic Mission. Our **TENTATIVE** plan is for the ship to leave Gulfport with a crew of seven on October 26th, so as to arrive and prepare for the Mission team arrival November 5th. Our Evangelistic and Medical team will work till November 14th. If you are interested in working on either the medical or evangelistic side of the trip please email us at mercyproject@live.com. Rick Montes will leave for Honduras as soon as flights into the country resume; to coordinate with Pastor Dole', eight other pastors, the city of Puerto Cortes and the Navy, to work out all the logistics of the trip. Please pray for the many, many details that have to be worked out in order to make this trip happen. Also know that **SHARE-A-THON 2020** is vital to having the needed funds to cover the cost of this trip.

Please prayerfully consider a generous donation.

SHARE-A-THON 2020

Interviewing
Dr. Joe Arthur
Newest member of
GPAMM Board of Directors

As you probably know our Mission Partners Dinner scheduled for April had to be cancelled. For this reason we moved the **Share-A-Thon** from October to Thursday June 18th 4:00-8:30pm. It's a little different this year but promises to be an exciting evening. Dr. Gary Moore and Derek Middleman will be hosting the program; we will have an interview with Dr. Joe Arthur, our newest board member. We will be hearing from doctors and nurses who have served with us on several occasions and we will talk with Barry Crohn our Logistics Director of The Mercy Project. Of course we will have some great singing from **The Sampson's, The Rochester's, Jonathan Buckner and Chosen Road, Surrender, The Nottingham Four and the NMBC Choir.**
